SUNCORP Your Extras Cover

Suncorp Health Insurance Starter Extras

What's Covered

Extras are services usually provided outside of a hospital. Medicare does not generally cover these services, so we help you pay for them. This document is a summary of what you have cover for including the amounts you can claim, annual limits and wait periods.

As a Suncorp Health Insurance member, if you visit a provider in nib's First Choice network, you may pay less out of pocket for eligible services than you would with a provider who is not part of nib's First Choice network. The amount you can claim will still depend on your level of cover, available limits and the service received. To learn more about the First Choice network or find a participating provider, visit **health.suncorp.com.au/find-a-provider**.

Please read the Policy Booklet for more information on how your cover works.
